

THE CITY OF SUNNYVALE INVITES YOU TO PARTICIPATE IN THE SECOND AND THIRD PEERY PARK SPECIFIC PLAN COMMUNITY WORKSHOPS

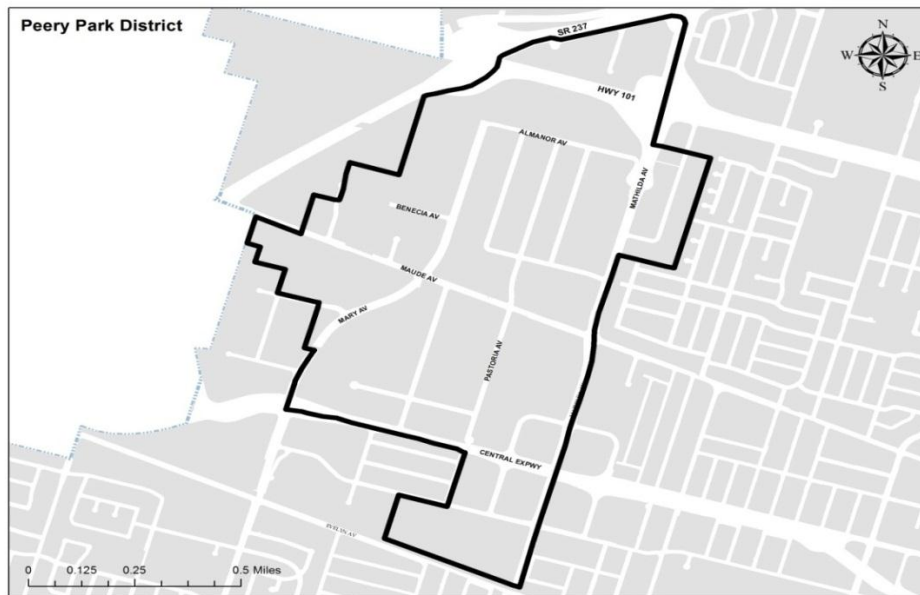

The City of Sunnyvale is interested in establishing a vision for transforming Peery Park into a cutting edge workplace district. Community Workshop #1 was held in October 2013 and included discussion of existing issues and opportunities, economics and workplace trends. Information from that workshop can be found on the project webpage. City staff is looking for participation from people working and doing business within Peery Park, as well as community members city-wide.

For additional information or to be added to the e-mail interest list for the project (e-mail reminders for upcoming meetings) please contact Amber El-Hajj, Senior Planner at ael-hajj@sunnyvale.ca.gov or (408) 730-2723.

Community Workshop #2

The second of three Community Workshops will include a recap of Community Workshop #1 and a description of anticipated development types, public spaces and amenities, including an overview of the preliminary land use concept. The presentation will be followed by an interactive exercise and group discussion to receive ideas and knowledge about the community's priorities, the concepts discussed in the meeting and traffic concerns.

Community Workshop #3

Traffic and transportation demand management will be the major discussion points at this final Community Workshop. This workshop will also include a recap of the other community workshops and will focus on streetscape concepts, traffic conditions, and transportation demand management strategies.
